Miss Handisides recently applied and put together a case study for Brookfield's schools games sports mark, which is something to apply for each year. This ranks and rewards you for your schools commitment & development within PE and sport/extra curricular. We have been a gold school four years in a row and now we have achieved PLATINUM status, this is the top rank and we've achieved it! We will hold this status for 2 years until we have to go through the applying process again. This is a huge achievement for the whole school, PE and sport, extra curricular and wider community!

Well done BJA! ☐
