*Yoga – rainy day, limited hall space - backup

***Rationale for more invasion games:** develop widest range of transferable skills, build tacticle understanding more effectively, supports social and interpersonal development, align with our pupils' interests and participation outside school, local and wider competitive opportunities

***Rationale for number of swimming sessions:** Swim Ed, Autumn 1, Y4 and Y5 15 lessons each, Y3 6 lessons as an intro, Y6 6 lessons as top up, in addition interventions for SEND and 1:1 anxious/nervous pupils.

***Computer suite cloakroom** will be used as store for resources for each half term to avoid people having to dig items in and out of PE cupboard. In summer 2 tennis nets will be put up in MUGA which will be out of use at play/lunchtime
